SUMMARY

Lead Presentation Designer with 12+ years of experience creating engaging designs, illustrations and layouts across digital and print — marketing collateral, brochures, posters, banners, social media graphics, websites, logos, presentations and advertisements — always within brand guidelines. Delivers consistent, high-quality outputs including web elements, e-books, PowerPoint decks, infographics, event graphics, newsletters and sales tools, applying strong typography, colour theory and visual hierarchy. Works closely with stakeholders, incorporates feedback fast, and stays current with design trends and tools while managing multiple projects in fast-paced environments.

EXPERIENCE

Lead Presentation Designer

BMC Software · Pune City, Maharashtra, India

- Create designs, illustrations and layouts for sales/marketing collateral, brochures, posters, banners, social graphics, websites, logos, presentations and ads — ensuring compliance with BMC's branding guidelines.
- Produce and deliver digital and print outputs: web elements, e-books, PowerPoint decks, icons, infographics, event graphics/signage, newsletters, invitations and sales tools.
- Apply typography, colour theory and hierarchy to create balanced, high-impact designs; incorporate stakeholder feedback and stay current with industry tools and trends.

Adobe Creative Suite · Microsoft PowerPoint · Excel

Lead Graphic Designer

VMware · Bengaluru, Karnataka, India

- Crafted product diagrams and process drawings for Broadcom's course curriculum; adapted PowerPoint diagrams and hand-drawn sketches into refined technical artwork (Vector, SVG, PNG).
- Captured, generated and manipulated graphic images, flow charts and diagrams across print and web publications, aligned to Broadcom's brand standards.
- Elevated the learning experience through visually captivating course materials, contributing directly to curriculum success.

Adobe Creative Suite · Google Workspace · ClickUp · Xyleme

Senior Graphic Designer

Accenture · Chennai, India

- Collaborated closely with clients via JIRA, translating requirements into visually compelling, print-ready solutions with copywriters, designers and developers.
- Maintained clear client communication throughout the design process, incorporating feedback to consistently exceed deadlines and expectations.

Adobe Creative Suite · JIRA

Graphic Web Designer

Infosys · Chennai, India

- Managed multiple website design projects in a fast-paced environment, maintaining consistent tone and voice across content.
- Took charge of website deployment and collaborated with copywriters and graphic artists on site navigation, content and graphics.

Adobe Creative Suite · iGen · Salesforce · AEM

Graphic Designer

Wipro

- Transformed client design briefs into finished artwork, providing detailed print specifications and maintaining close client communication throughout.

Adobe Creative Suite · In-House Multi Adcreator · iGen
