SHARED SERVICES – HOW WE WORK

1

Initial
Discussion

2

Pre Design/Strategy

- ❖ Project vision / goals
- ❖ Reader/audience details
- ❖ Requirement gathering
- ❖ Brand strategy
- ❖ Timelines and cost estimates

3

Prototype

Rough draft / source content to be provided by client team

Design brief required
(samples, toolkits, guides, preferences to be shared by client)

Content/script refined and sent for approval

- Conceptualization
- Raw images sent for selection, where appropriate
- Visual storyboard or wireframe built and sent for approval

4

Production, Design and Internal Review

80% final approved content embedded into design

Design executed (video animation/editing, coding, static design)

5

Review/Approval

Client POC to enable approvals from

- Leadership and concerned stakeholders
- Marketing and Global Brand

6

Rework

Review comments to be sent in email

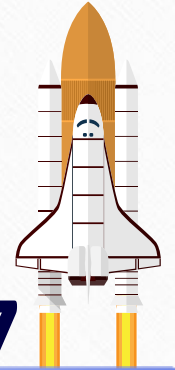

10%change accommodated –
Edits to be sent in one single round

10%-30% change will be considered as significant rework for increased timeline and costs >40%

- Rework is a new effort

A desk setup featuring a corkboard with a wooden frame. A white card is pinned to the corkboard with four red pushpins, displaying the text "THANK YOU" in a bold, dark blue, sans-serif font. To the left of the corkboard is a bright red ceramic mug. To the right is a white cylindrical pen holder filled with various colorful pens and pencils. In the bottom right corner, there is a small stack of colorful sticky notes. A desk lamp is visible in the top right corner, casting a soft light on the scene.

**THANK
YOU**
